STC History

The mission of the Scarsdale Teen Center, Inc. (STC) is to provide an alcohol and drug free place for Scarsdale and Edgemont teens to socialize and engage in safe recreational and educational events and programs. Many events are conceived and run by the teens themselves, encouraging them to take "ownership" of the Center through their leadership.

Please visit our website www.ScarsdaleTeenCenter.com to join our e-mail list to receive the most up to date information about events at STC!

The Scarsdale Teen Center

Whether playing pool, watching a movie, munching on "Late Nite" food or listening to the live music booked throughout the year, the teens who come to the Center engage in fun and creative activities, most of which they plan and run themselves.

Weekly Teen Board meetings are held to organize activities and events. Subsequent committee meetings are held to finalize the details of the various events. Outreach is made on a regular basis to involve more SHS and EHS teens at STC.
